EXHIBITOR SPACE ASSIGNMENT

Exhibitor Space Assignments - SSO reserves the right to limit the amount of square feet purchased by any single Exhibitor in order to maintain a broad and balanced exhibitor mix within the Exhibit Hall. SSO also reserves the right to limit the number of Exhibitors of similar products or services. SSO reserves the right to assign Exhibitors within the Exhibit Hall according to the type of products or services exhibited.

2026 sponsors have first priority in selection exhibit locations, subject to space availability. Assignments will be based on the level of sponsorships and on the order in which applications and payments are received. SSO reserves the right of assignment and/or to relocate previously assigned space. Space cannot be assigned, sublet, or otherwise disposed of by an Exhibitor without prior written consent from SSO. Any space not claimed and occupied by October 15, 2026 may be reassigned by SSO without refund to the originally assigned Exhibitor.

REGISTRATION: Each exhibit booth shall include up to two (2) complimentary registrations for Exhibitor personnel; additional event registrations may be purchased at the regular price. Only employees of the Exhibitor may receive complimentary Exhibitor registration. All Exhibitor personnel must wear an official meeting name badge while exhibiting. The transfer of a badge to non-employee attendees may bar involvement from this and future meetings.

Set-up & Dismantling Restrictions: Exhibits must be arranged so as not to obstruct the general view or hide the exhibits of others. Any additions or improvements to booth/table-top, such as electrical or internet services, will be at the Exhibitor's expense and must comply with fire department, venue, and underwriter rules. The aisles, passageways and overhead spaces remain strictly under the control of SSO. Items will only be permitted in these areas by advance written permission from SSO. All items left in the exhibition space after dismantling hours will be disposed of or handled at the hotel's discretion at Exhibitor's expense. The Exhibitor must surrender display space in the same condition as it was before occupied. No smoking, helium balloons or flammable materials are allowed. Compliance with local fire and state tax ordinances is required.

Sound: Exhibit noise may not interfere with the display and conversation of other Exhibitors. Any use of music in the exhibit area must comply with applicable copyright and licensing laws. Exhibitors are solely responsible for obtaining any required licenses or permissions from ASCAP, BMI, SESAC, GMR, or other applicable licensing organizations, unless such use is expressly covered by a license held by the venue.

BOOTH PERSONNEL CONDUCT

Conduct – Exhibitor agrees to ensure that all of its representatives, employees, agents, contractors, or affiliates who attend, participate in, or are otherwise present at the event as part of Exhibitor's registration and/or sponsorship benefits, as well as any individual that it registers separately, receive a copy of the SSO Event Code of Conduct and Anti-Harassment Policy (the "SSO Event Code") prior to their participation. Exhibitor shall be responsible for informing its representatives and those it registers of the requirement to comply with the SSO Event Code and for ensuring their compliance with its terms. Exhibitor acknowledges that any violation of the SSO Event Code by a representative or registrant of Exhibitor may result in disciplinary action against both the individual and Exhibitor, including but not limited to removal of the individual and/or Exhibitor from the event or revocation of Exhibitor benefits without refund, or prohibition on further attendance at or participation in SSO events, in SSO's sole discretion. Exhibitor further agrees to

cooperate with SSO in any investigation of alleged violations of SSO Event Code involving any representative or registrant of Exhibitor.

Recording – Under no circumstances is it appropriate for any Exhibitor to photograph or record another Exhibitor's booth or products. Any Exhibitor caught doing so will be permanently dismissed from the exhibit hall with no refund of their space rental or registration fees.

Exhibitor Staffing – All exhibits must be staffed throughout the official open hours of the Exhibit Hall. Exhibitors are required to open and close their exhibits according to the official exhibit hours. Exhibitors will NOT be allowed to tear down their booth space early.

Solicitations by Non-Exhibitors – Only registered attendees and Exhibitors are allowed in the Exhibit Hall or other programs related to the Annual Session. Persons whose firms have not rented exhibit space are prohibited from soliciting business from attendees or SSO members in any form at the hotel. The only solicitation/presentations allowed in the exhibit area will be by registered Exhibitor personnel and must be held within the contracted exhibit space and cannot overflow into public aisles. Violators of this policy will be promptly dismissed from the Annual Session and will not be eligible to participate in future SSO exhibits.

Distribution of Printed Material – Distribution of printed material (including swag) by an Exhibitor or its agents is limited to their contracted exhibit space. Materials and advertising may not be distributed in any other area inside or outside the exhibit hall, including delivery to hotel rooms, without advance permission from SSO and the hotel.
